

# 12<sup>th</sup> Georgia Glycoscience Symposium · Glyco-ToolBox

April 23, 2018 · Atlanta, GA · Georgia State University

## WELCOME

The Organizing Committee cordially invites you to participate in the 12<sup>th</sup> Georgia Glycoscience Symposium to be held on **April 23, 2018 (GGS 2018)** at the Georgia State University. Contributions are expected in a diversity of “Glyco-ToolBox” topics.

The scientific sessions of this symposium cover Synthetic, Analytic and Genetic tools in Glycobiology and Glycochemistry. The Symposium will present a unique opportunity for scientists involved in research, clinical and applied disciplines related to glycoscience to meet and network. We have invited many renowned scholars across the Southeastern Region to speak at this event. There also will be poster sessions where participants can all learn and discuss interesting ideas in glycobiology and glycochemistry.

We wish all participants a fruitful meeting at Georgia State University campus and we ask you to stay engaged, keep us proactive, and help us shape the culture of GGS.

Sincerely,

**The Organizing Committee**
