

**235th ACS National Meeting, New Orleans
Louisiana**

**Carbohydrate Chemistry Division, Program
Committee Meeting**

**Sunday April 6, 2008
New Orleans Convention Centre, Room 202**

Minutes

Present:

Gillian Eggleston, Derek Horton, Todd Lowary, Waldemar Priebe, Hans Vliegenthart, Arland Hotchkiss, Zbigniew Witczak, Mano Manoharan, John Vercellotti, Walter Szarek

Todd Lowary, standing in for Dev Arya, called the meeting to order at 5:05 p.m.

- 1. Program for 235th National Meeting in New Orleans (April 6–10, 2008)**
 - a. 130 Abstracts.
 - b. Symposia:
 - Bioenergy
 - RNA
 - Sugar Alley
 - Carbohydrate-based Drugs
 - Margaret Clarke
 - General Posters
 - General Papers
- 2. Program for 236th National Meeting in Philadelphia (August 17–21, 2008)**
 - a. Symposia
 - Wolfrom/Isbell/New Investor (Priebe)
 - Advances in glycoanalysis (Nilsson)
 - Carbohydrate-based drugs (Arya)
 - Carbohydrate-based bioproducts (Hotchkiss)
 - Marquez Symposium (Manoharan/Barchi/Damha)
 - General Session (Arya)
 - General Posters (Arya)
- 3. Program for 237th National Meeting in Salt Lake City (March 22–26, 2009)**
 - a. Thematic programming is “Nanotechnology”
 - b. The following symposia were suggested:
 - Hudson Award (Eggleston)
 - Glyconanoparticles (David Baker and others?)

- Boronic-Acid Based Carbohydrate Sensors (Dennis Hall, Alberta)
- Carbohydrate-based drugs (Witczak)
- General Session
- General Posters

4. Program for 238th National Meeting in Washington DC (August 16–20, 2009)

- a. Thematic programming has not yet released.
- b. The following symposia should be part of the meeting:
 - Wolfrom/Isbell/New Investigator (Eggleston)
 - Kochetkov Symposium (Lowary/Demchenko)
 - Glycolysis (Priebe)
 - Oligonucleotide Modifications (Manoharan)
 - RNA targeting (Appella)
 - General Session
 - General Posters
- c. Todd will speak to Xi Chen and/or Lai-Xi Wang about organizing something for either Salt Lake or Washington DC.

5. Meeting dates for 2010–2012

- a. 239th National Meeting in San Francisco (March 21–25, 2010).
- b. 240th National Meeting in Boston (August 22–26, 2010).
- c. 241st National Meeting in Anaheim (March 27–31 2011).
- d. 242nd National Meeting in Chicago (August 28–September 1, 2011).
- e. 243st National Meeting in San Diego (March 25–29 2012).
- f. 244th National Meeting in New York (September 9–13, 2012).

6. Other Business

- a. Mano asked about programming at Pacificchem and will organize something on RNA
- b. Todd will ask Canadian counterparts about other glyco topics that may be planned

7. Adjournment

- a. Meeting adjourned at 5.30 pm.

Submitted,

Todd L. Lowary, Secretary
