

**240th ACS National Meeting
Boston, MA**

**Carbohydrate Chemistry Division
Program Committee Meeting**

**Sunday August 22nd, 2010
Boston Convention & Exhibition Center,
Room 162A**

Minutes

Present: Todd Lowary, Geert-Jan Boons, John Vercellotti, Mano Manoharan, Xuefei Huang, Xi Chen, Nicola Pohl, Robert Kerns, Dev Arya, Alfred French (guest)

Called to Order at 6:02pm by Mano Manoharan.

- 1. 240th National Meeting in Boston**
 - a. 135 abstracts
 - b. Five symposia + general and poster sessions
- 2. Program for 241th National Meeting in Anaheim, CA (March 27th–31st, 2011)**
 - a. Thematic Programming Topic: “Chemistry of Natural Resources”
 - b. Symposia
 - Hudson Award
 - Recent Developments in Characterizing Carbohydrate Structure and Dynamics (Freedberg and Woods)
 - Carbohydrate-Based Immunotherapeutics (Sucheck and Andreana)
 - Click Chemistry Approaches in Carbohydrate Chemistry (Witczak)
 - Carbohydrate Based Materials: Polymers, Nanoparticles, Dendrimers and Hydrogels for Biomedical Applications (Narain)*
 - General Papers: Synthetic Chemistry
Glycobiology
Polysaccharides
Computation
 - General Posters
 - c. *Deadline for Abstracts is **October 18th, 2010***
- 3. Meeting dates for After Fall 2011–Fall 2013**
 - a. 242nd National Meeting in Denver (August 28–September 1, 2011). Theme: Chemistry of Air, Space, and Water

- b. 243st National Meeting in San Diego (March 25–29 2012).
- c. 244th National Meeting in Philadelphia (August 19–23, 2012).
- d. 245th National Meeting in New Orleans (April 7–11, 2013).
- e. 246th National Meeting in Indianapolis (September 8–12, 2013).

The executive committee has decided not to hold CARB programs in the Denver meeting. The impact of this decision on attendance and programming will be evaluated in 2011. The frequency of CARB programming in National ACS meetings in the future will be decided after Denver meeting.

4. Adjournment

- a. Meeting adjourned at 6:30 pm.

Submitted,

Xuefei Huang
Secretary

*This symposium was added after the executive meeting.
